### 3 Main Points

**1** There is ONE God.

**2** This one God must be worshiped.

**3** Jesus is God.

## Lesson Plan for Beginners

### Point 1

Deuteronomy 6:4 *Hear O Israel, the Lord our God is one Lord.*

Can every one *hear*?? Where are your ears? Those are for HEARING the word of God. God is saying, "Listen! This is very important! You have to get this!"

HEAR! Everyone, can you hear? OK! Now are you ready to hear something really important?

THE LORD OUR GOD IS ONE LORD!!

How many? ONE!! ONE!!

How many Gods are there? One!

*Deuteronomy 6:4 Hear, O Israel: The Lord our God is one Lord.*

THE LORD OUR GOD IS ONE LORD!!

*Isaiah 43:1 I, even I, am the LORD; and beside me there is no savior.*

While some follow after men such as Muhammad or Buddha, they were only mortal men, who died...there is ONLY ONE GOD! He died for our sins and rose from the dead!

It is very important that we understand that it is wrong to agree that there are other gods. God is alone. There is no other besides Him!

### Point 2

We are living in a world that worships other gods. They are bold and aggressive about their worship. People who worship the one, true and living God must not be intimidated by this. Just as the Old Testament saints had to take a stand, so must we.

Never be shy about worshipping God! He is the Almighty God that gives life to all living things. He comes down and dwells among people that worship Him.

There are many ways to worship God: clapping our hands, lifting our voice, bowing down, dancing before the Lord, with singing and music. Worship Him in whatever matter you choose and do it with all your heart! God will come down when you do.
