# Today's Note

## Big Event Today in Adult Education Class!

In Acts 4, the 1st Century Church prayed for boldness that they could take the Gospel to the world. That prayer has become the prayer of our Adult Education Class!

For several weeks, Adult Education has been offering training in witnessing. It has been very well-received and we are seeing results already. Today they take another important step in becoming bold for Christ.

Kathy Elkins and Parker Platt have created a Simulated City . It consists of real life places that we meet people everyday. We will practice speaking up for the Cause of Christ; facing the fears that come when we want to witness; learning right and wrong ways to approach people.

We are making ourselves available and ready to be used of God to reach our community with the Gospel. Pray for all those in training that God will give great power and great boldness.

## "Faithfulness Counts" - Lesson 2

*In preparation for June 20.*

**Central Truth:** Faithful people are those who can be counted on in difficult times.

**Memory Verse:** "The LORD render to every man his righteousness and his faithfulness." 1 Samuel 26.23

**Scriptures To Study:** Proverbs 17.17, Psalm 31.23, Jeremiah 1.12

**Point 1:** Faithfulness is an important part of Christian character.
